

# York Fighting Coronavirus Together

## Membership Report, AGM 2020

Upon its establishment as a Charitable Incorporated Organisation, YFCT took the opportunity to constitute and develop a membership base in support of the Charity's objects.

YFCT members have the opportunity to drive the charity forward, influence what we do and how we do it, and make a difference to the community. Members are entitled to attend and/or vote at general meetings, making decisions on the direction and operation of the charity.

Our membership offer was launched in August, and since then, awareness has been increased via Facebook contact and a presentation at the charity's first livestream event on 19<sup>th</sup> August.

As stipulated in our Constitution, Trustees are charged with considering and accepting membership applications, and will continue to do so at each subsequent Trustee meeting after a Trustee application has been received. Applications received prior to the 17<sup>th</sup> September AGM will be considered and decided upon at the AGM itself.

At the time of finalising this report on 9<sup>th</sup> September, YFCT had 14 members. We hope to expand the membership offer and develop this in line with the wishes of our membership base. Informally, we also support and serve a community of approximately 10,000 Facebook Group members through our social media activities.

On behalf of the Trustees, we are grateful for all the support received from our membership to date and look forward to working with them more closely in the future.
